Every effort has been taken to accurately represent our strategies and their potential to help you, your growth, and your career. However, we do not purport this as a "get rich scheme" and there is no guarantee that you will earn any money using the techniques in this program or with these services or materials. Your level of success in attaining similar results is dependent upon a number of factors including your skill, knowledge, ability, dedication, personality, market, business savvy, business focus, business goals, partners and financial situation. Because these factors differ according to individuals we cannot guarantee your success, income level or ability to earn revenue, nor can we state that any results suggested in the materials or websites are typical. Any forward-looking or financial statements outlined here are simply examples of our forecasts for future potential and thus are not promises of or actual performance. These statements and the strategies offered in these materials, websites and services are simply our opinion or experience. So again, as stipulated by law, no future guarantees can be made that you will achieve any results from our information and we offer no professional legal or financial advice.
