Deberah creates a vision that inspires. She gives nothing less than 110%

- Teddy Vrihas  
AT&T

We increased our revenue \$600 Million in 12 months using Deberah's strategies and techniques.

- Nadia Zaal,  
CEO

Deberah increased revenue 100%.

Robert Webster  
President and CEO  
Bohannon Development Company

I was struck by Deberah's tremendous leadership abilities, tenacity, and drive for success.

David Crane  
Special Advisor to  
Governor Arnold  
Schwarzenegger

"Deberah creates a vision that is a foundation for success."

- Helen Fisicaro  
PG&E

Deberah has all the tools you need to create a life of passion and purpose - and to eliminate the roadblocks that are in the way of you getting what you really want!

Dawn Todd  
CEO and Founder  
Wildly Successful, Inc.

**BEFORE:**

"I couldn't believe this crazy, business woman from the U.S. was talking about energy, chakras and using the power of the Universe to make sales!"

Kabir Mulchandani,  
CEO, Skai Holdings

**AFTER:**

"Deberah, Tony Robbins was right about you! You are amazing. You saved the company! 3,500% growth in 12 months is unheard of. What you did was incredible. You took a failing company and made it profitable. It was all you!"

Kabir Mulchandani, CEO  
Skai Holdings

Deberah is a leader with vision, creativity and passion. She knows how to pull together contentions and competing interests and lead large teams to achieve common goals.

Jim Wunderman  
President and CEO  
Bay Area Council

I feel like I got 150% with you!

- Marco Porro, CEO  
SLT, Monza Italy

Deberah has the drive, determination and experience to take on any challenge and bring new innovativeness and experienced leadership to any company or organization.

Michael Scanlon, CEO  
SamTrans

I was lucky to be sitting in Deberah's audience. She clearly understands at a deep level the concerns of every business owner and the solutions that will produce extraordinary results!

Dana Corey  
Big Heart. Big Life.

The Center For Marine Conservation values Deberah's opinions and work so highly that she has been invited on more than one occasion to speak at the Center's conferences.
